Tania

Meet hot brunette and MILF next door, Tania. She is not the kind of girl you'd think would love a hard cock in her ass and on camera. In fact, she is a total butt sex freak and can really get off.

Gotta love this innocent looking beauty with creamy fair skin who can gape with the best of them.

It's a very nice asshole to come home to. Literally.

Dear reader,
Yes, there are days
that I just don't
want to get out of
bed. This was not
one of them, how-
ever. Today, I get
to transcribe my
notes of my virtual
interview with one
of my absolute
faves, Eva Lovia.
By doing it today, I
get to relive my ex-
perience with her,
and truly enjoy her
answers. I found
her beautiful, hon-
est, witty, and not
at all jaded.
A real doll.

GETTING HER WAY

Arnie is the shyest guy I have ever met. He's 20, a year older than me, and he was still a virgin until I got my way.

I made my move at the punch table at a party. He was directly behind me in line, so when I bent to fill my cup with punch, I was able to press my ass against his crotch. He let out an excited squeak, and I turned to face him, making sure he had a good view down the front of my low-cut dress. His face was so close to mine, I could feel his hot breath on my cheeks.

I smiled and lifted my hand and let the back of it brush the bulge in his crotch. His dick was hard, and it twitched against my fingers. I felt a shiver shoot across my clit as I led him to a small table in back of the reception hall. We were barely seated before I made my move.

"Do you ever think about me when you jerk off?" I asked. His mouth fell open and he managed a weak grunt. Before he could say a word I dropped a hand into his lap and let my fingers circle the shaft of his fat dick. "I think about this every time I finger my pussy," I teased, giving his hard dick a loving squeeze as I said it. My pussy was on fire. The crotch of my panties was sopping wet, and I knew without touching it that my clit was swollen and ready for some tongue action.

"I've never..." he stammered.

"I know, but you want to, don't you?" I said, cutting him off in mid-sentence. His dick was so hard that I had to take a chance and feel the hot flesh.

I unzipped his pants and reached inside. Luckily, he had on boxers, so within sec-

onds my hand was wrapped tightly around the shaft of his thick dick. I thumbed the head and spread pre-cum over the sensitive tip, while he gurgled happily and stared at me with his mouth hanging open.

I felt a sense of total control, which made me so hot I was squirming in my chair. I crossed and uncrossed my legs, and as the lips of my pussy rubbed together, shivers shot up and down my spine. I thought about finishing him off with my hand right there in the middle of the reception, but there was no way I was going to waste his sweet load that way. My mind was racing, trying to come up with a way to find enough privacy to fuck his balls dry.

"I think about you every time I do it," he blurted. "And I do it a lot," he added with a blush. His words were like a long, wet tongue on my pussy. I crossed my legs real tight, closed my eyes, and had a shivering orgasm. His eyes widened, and he licked his lips nervously while he watched me sit there in the crowded room and cream in my panties for him.

"You made me come," I confessed. "See how wet I am?" I took his hand and shoved it under my dress. His fingers moved quickly up the inside of my naked thighs and touched the slippery crotch of my panties. The lips of my pussy fluttered under the gentle touch of his fingers. I guess his dick was in control, because he wasn't the least bit shy about slipping two fingers under the crotch of my panties. He probed my slippery pussy with his fingertips, and within a few seconds, I clamped my thighs around his arm and came again.

He fingered my pussy until I let out a happy sigh and released his hand. That's when he did something that blew my mind. He pulled his creamy fingers from between my legs and then looked into my lust-dazed

eyes while he licked my juice from them.

My pussy was on fire. I grabbed his hand and practically dragged him down the hall. We found an open bathroom door and I pulled him inside, closed the door, and leaned against it while I fought for control. His pants were still unzipped, and while I caught my breath he reached in and pulled out his dick. There was a clear drop of pre-cum clinging to the velvety tip, and it was throbbing to the beat of his heart. I knelt and cupped his balls in my hand. They were heavy and full. I kissed and licked his big balls. Then I let my tongue travel slowly up his swollen shaft.

He let me suck his dick for a very short while before he helped me stand, and then he knelt in front of me. He reached under my dress, pulled my panties to my knees, and put his head under my dress. I moaned while he nuzzled his face against my crotch and tummy. I lifted the skirt and ran my fingers through his thick curly hair while he eagerly licked my pussy through two rapid-fire orgasms. Arnie was a virgin who loved to eat pussy. I had struck gold! Still, my pussy needed more than a tongue at the moment. She wanted his virgin dick deep inside.

I changed position so that I braced my hands on the back of the toilet, my bare ass cocked at a perfect angle for fucking. I didn't have to tell my virgin what to do next. I looked back at him over my shoulder and watched him bend his dick down and push it into my slick, waiting pussy.

His dick was big and full and hard and ready. He grabbed my hips and started pounding my pussy like he had been fucking all of his life. I came twice before he bellowed my name and blasted the walls of my pussy with his boiling shots of cum.

That was a party to remember!

INTERNET LUST

"Tell us what you want to see and we'll do it for you," Shelly said, speaking into our webcam microphone. We were connected to a guy in California, who had his dick out, letting Shelly watch him stroke it.

"Let him suck your tits," Mr. C. said. "I want to watch him make your nipples hard."

Shelly looked at me for an "okay" nod. Then she crossed her arms and pulled her T-shirt over her head, exposing her big, beautiful tits to me and to our web buddy, Mr. C. I could see Mr. C. rubbing his hard-on, and I could also see the image of Shelly's perky little tits as I stuck out my tongue and flicked one of her sensitive nipples. It popped up, and Mr. C. stopped jerking off long enough to give her applause.

My own dick was as hard as the one Mr. C. had in his hand, but it was still in my pants. I sucked and licked both nipples until both of them were sticking out like little pink pencil erasers.

"Now let me see your ass, Shelly," Mr. C. said, his voice husky with lust.

Shelly giggled nervously and turned so that her magnificent ass was pointed at the camera. She opened the snap and the zipper on the side of her shorts, then grinned at me and told me to do the honors. My hands trembled as I slowly pulled the shorts to her knees. She had on black thong panties, the flimsy material wedged into the crack of her ass. I nuzzled and kissed the cheeks of

"I've been in the industry for several years now and have enjoyed almost every minute of it. There have been many more good times than bad, and none that I would take back.

Obviously I've had many lovers in my work, guys and girls, and I love them all. While there's something to be said about the soft touch of a female's hands and lips, there's also something to be said about a nice hard cock to suck and fuck. One of my favorite girls to perform with is 'RR'. We just hit it off from the start and have done many scenes together, either as a twosome and

Shelly's bare ass while Mr. C. shouted encouragement.

"This is making me really hot," Shelly whispered.

"Me, too," I confessed as I pulled the panties down and helped her step out of them.

"Bend over and touch your toes for me, please," Mr. C. grunted, sounding like he might shoot off all over his keyboard at any second. I had the same problem. My dick was throbbing against the crotch of my pants, and there was a big wet spot in my shorts.

Shelly did as he asked, opening her legs wide enough to let us see the thick bush between them. She wiggled her ass for a few seconds, then put a hand between her legs and let a finger slide into her slippery pussy.

The smell of sex filled the air. My dick was ready to rip a hole in my pants. I rubbed the big bulge in my lap while Shelly looked back at what I was doing and licked her lips. She didn't have to say a word.

Her eyes said it all. I knew what she wanted, so I unzipped my pants and let my hard dick pop out of my open fly. She nodded her approval and licked her lips while she pushed two fingers deep into her hot pussy.

"Let him lick your fingers. I want to see him taste your pussy." Mr. C. requested. His eyes were wide, his cheeks were flushed, and he was pumping his dick much faster.

Shelly pulled two wet fingers out of her pussy, then turned and painted my bottom lip with her sweet juice. My tongue quickly flicked out to get more flavor. She let me lick her fingers clean before she used the same two fingers to spread the lips of her pussy for the camera. The sight of her slick pink lips and swollen clit told me what to do next.

I needed no coaching from Mr. C. I knelt in front of Shelly, cupped the cheeks of her soft, hot ass, and covered her juicy pussy with my open mouth. She ran her fingers through my hair and moaned with pleasure each time my tongue probed her pulsating pussy. Shelly was on fire.

"Fuck me with that beautiful tongue. Harder, faster, deeper," she squealed. Her pussy was hot, wet, and ready. Within a

few seconds, she arched her back, and I pressed my mouth as tightly as possible against her melting pussy. She came so hard the room shook. It was like she couldn't stop coming. I licked, I sucked, and I probed her quivering crack until I wondered if I might suffocate before she finished the sweetest orgasm I have ever tasted.

As soon as the orgasm ended, Shelly pushed me onto my back on the floor. She was as hot and horny as I had ever seen her. Her green eyes were shooting sparks. While I fought to catch my breath, I licked the sweet pussy-flavor from my lips. Shelly knelt between my legs and eagerly sucked my stiff dick.

We were out of camera range, but that didn't matter. Mr. C. was forgotten. We were ready for a hot, sweaty fuck. Shelly bobbed her head up and down on my stiff dick until my whole body was shaking. Before I could blast off in her hot mouth, she slithered up my body and mashed her wet pussy against the length of my hard dick.

Our lips met in a crushing kiss, and our flavors mingled on my tongue. Finally, I cupped the cheeks of her ass and shifted her squirming body just enough to let my dick glide into her wet pussy.

The walls of her tight pussy contracted on my thrusting dick, and she had two rapid-fire orgasms before I drove my dick so deep into her pussy that I lifted her off the floor while jets of cream spattered her quivering walls.

By the time we floated back to earth, Mr. C. was gone. Guess we'll never know if he shot off too. My bet is yes.

threesomes. She's always smiling, a lot of fun to work with, and you can tell she loves sex. It seems like every scene she gives it her all!

As far as the men I've worked with, love 'em all. I've never has a bad scene with any of them. And yes, every cock is quite different.

Right now, I'm looking to work for a while longer and eventually step away from it all. I have some other plans and goals in mind but I'm willing to wait until I 'retire' and move on. When that will be, I don't know. But for now, I'll keep licking pussy and sucking cock because I love doing it.

My car broke down at the mall last week and this really nice man stopped by to help me. He said that he would help get my car fixed that afternoon. I took him up on his offer and his mechanic fixed it just like he said. I paid him and left. But something drew me back. Turn the page and see what it was.

KATHY the Animal

**I'm so hot and wild in bed –
they call me “Animal”**

My name is Kathy, but my nickname is “Animal.” I am a hostess at a very swanky restaurant in Los Angeles. I was selected for my looks, I am blonde with blue eyes, and have a 36” bust. I got the nickname “Animal” because when it comes to sex and when I get hot, I’m like an animal.

I want to tell you all about the night I got my nickname. I had won my first beauty contest and met Carl, this rich guy, who told me about this private island where you could do anything you wanted.

The next day, we were on his helicopter flying there. It was beautiful. There was a sense of freedom about the place. I got into my bikini and Carl got in his bathing suit. He kissed me as we sat on the beach and felt my firm breasts. I got aroused and I suggested that we run down the beach. Carl agreed.

We ran and when I stopped, Carl grabbed me and kissed me at

the water’s edge. He then untied my bikini top, baring my breasts. It really surprised me. I raced at him and knocked him down in the surf; I grappled his swim trunks off, revealing a soft, nice-sized cock.

He was surprised. He got up and grabbed at me, and got the string on my bikini bottoms and pulled it. They fell into the water. I was nude.

“Hey,” I screamed, and then I surprised him by grabbing his dick and jerking it. He was surprised. It stiffened in my grip. Soon, it was hard and throbbing and he picked me up and carried me up the beach.

We were both nude. I lay down and he was eager to fuck me, but I grabbed at the back of his head and pushed it down toward my wet pussy. “You eat me first, and then we screw,” I said.

His face was at my wet, pink pussy and to my surprise, he started to eat me. He knew what he was

doing and in a while I was thrashing on the beach about to come. I could see his stiff throbbing dick and I knew that he wanted to fuck me desperately. I came and to my surprise he moved to my stiff clit and began to suck it, before getting into position to give me the fucking I needed. But I had other ideas first.

He took his hard meat into my mouth. His cock slid in and out of my lips and I realized that I was draining his cock, but I wanted him to remember his time with me. I knew that as he looked in the mirror, he was looking at my swollen vagina and thinking of fucking me there, but my mouth was just being too good to him. He came and as usual, I swallowed every drop.

Finally I couldn’t stand it any longer. I lay back, spreading my legs, and beckoned him inside. We fucked like two dogs in heat. I was so hot. “Oh, don’t stop!” I moaned. “I want to come again.” I

responded by showering him with another resounding climax.

The beach was so peaceful. I could hear the pounding surf and I looked at his sunbronzed body. He fucked me and found great delight in it as I thrashed under him, hot and passionate. "You've got a nice dick," I cooed. His cock slid in and out of my slippery hole. I gasped as we came at the same time and his sperm jetted in me.

That night, we ate at a little beach cafe. We had clams and lobster and delicious wine. Later, we went back to our room and undressed. He had another hard-on and I just grabbed it bent over naked and took his tool in my mouth. I sucked it skillfully. I am 24, but I have been giving head since I was 18.

He gripped my tits and massaged them as I sucked him. "God, where did you learn to give head like that?" he asked. I moved him to the bed, his dick still in my mouth, and gripped his hips and then methodically sucked him. Men gasp when I give them a blowjob. I am very good. He was looking in the bureau mirror in our room as I blew him, and he could see my shapely ass, my asshole, and my glistening pussy.

He kept groaning as I reached under him and found his bung hole. He stiffened and then he jerked, as I slid my finger up his ass. I found his prostate gland and massaged it, as I sucked his stiff hot prick. "You're like an animal," he said. "That's it. I'm going to call you Animal." I swallowed his load. I learned that from a girl I knew, who once told me, "Always swallow it. Guys love that." She was right; as other guys had, Carl kissed my semen-wet lips and then said, "You are amazing."

The next morning, I was awakened by a kiss. Carl was naked and my nightie was off. He kissed me a bit as his hand fondled my pussy and then his finger entered me. I

could see that his dick was hard.

"Nothing like a good, early-morning fuck," he said. He entered me and I felt like I was soaring. He was a super fuck. He reached under me and lifted my ass, and his prick went in balls deep. I gasped with pleasure.

"How's your hot pussy, Animal?" he asked.

"Fuck, don't talk," I said. My orgasm was exquisite. He came shortly after me.

That afternoon, after lunch, I gave him another blowjob. He said, "How's that hot cunt of yours?" He got his hand between my legs as he smoothed the pubic hair. His finger parted the lips of my vagina. One slid inside. "Oooh," I cooed. He moved to my exposed clit and sucked it into his mouth. As he sucked, I went wild. I came in spasms as he ate me.

He was still playful and suddenly he started sucking my boobs. My oval pink nipples were hard. He flicked a nipple with his tongue. I shivered. The aroma from my pussy was strong, and Carl liked it. I was hot and sweaty. He surprised me by getting hard. He then mounted me, and soon got deep inside me.

"Slow and easy, this time," I said, "That feels good too." My pussy massaged his cock and he

lasted longer than I thought he would before shooting in me.

We dined again and then swam and it was time to fly back. We got in the helicopter. As we were flying, I got another urge. I unzipped him and took out his cock.

"No, Animal," he protested. However, his cock told me that he was lying because it was getting hard. I went down on it, sliding my mouth up and down on a shaft that I had gotten to know quite well.

Then I would let most of it out and lick the tip, and Carl would shudder. Then I took the whole cock in my mouth again. As he flew, Carl arched his back with pleasure. "Animal, Animal," he cried. I felt him tremble and then he came and I swallowed as usual.

Anyway, Carl moved to New York and he sent guys to take me out when they came to LA. He told them my nickname was "Animal." I got a lot of presents from these guys.

Tommy was another dude who I met at the restaurant where I work. He took me to Catalina Island and to a nice hotel. We ate breakfast and then went swimming. Back at the room, we started kissing. His shorts were off and my wet suit was off and I was playing with his balls, stroking his cock very gently.

He was looking at my soft pubic hair, my big tits. I bent over and slowly mouthed his cock. My head moved up and down licking. I held it straight up and played with his tight balls as I blew him.

He was bigger than Carl and his prick got even bigger in my mouth. He was thrilled, he was shivering with passion. I put my head on his stomach and really went to work on his prick. He was stunned, "Oh, Animal. I never had it like this!"

I am that good a cocksucker. He shot in three spurts and was delighted when I gulped down each load. He pulled me up and made me spread my legs. He kissed me on my mouth and then ran his tongue over my whole vibrant body, and then he went to my pussy-hole. As he ate me, my body was shaking. I started panting.

It was thrilling. Then I saw his cock was stiff. I was near a come, but I wanted that dick inside me. "Tommy," I said. "Put it in me. I want it in me!"

He repositioned and I spread my legs wider. I felt it go into my cunt. I moved my ass with passion. "I love your big fat cock, Tommy," I heard myself saying.

Then his finger entered my asshole. The double penetration made me wild. He pumped faster.

"Don't shoot yet," I begged. My

panting got heavier. I was shaking with desire. "I want to come first," I gasped. I was really turned on. I then lost all control of my body when I came. He was shaking and moaning and I yelled, "Come, Tommy, come!" He came and then I came a moment later.

The next night, we had sex and I learned something new. He taught me how to give a Texas blowjob. I dipped his cock in bourbon whiskey and sucked it. Tommy sur-

prised me by flipping me over and slipping his dick up my ass. I found it a strange sensation, but I enjoyed it, especially when he shot up my ass. Surprisingly, while he was screwing me up my ass, I had one of the biggest orgasms I ever had in my life in my vagina.

Tommy went to Europe and I met this press agent for a big movie studio. He told me that he had heard a lot about me from Larry, a mutual friend. Anyway, he told me that he could get me into the Screen Actors Guild because he would give me a small part in a movie that he was working on. The fee was fucking him and doing something special to the producer.

I agreed and I met the producer at the press agent's apartment; I had been told what he wanted. I stripped nude as he requested, and he was naked too. He had a

nice eight-inch hard-on. His stiff cock curved slightly and my hands pumped up and down its thick length to its mushroom head. I was excited as I lowered my lips and sucked the head of his cock into my mouth. As I licked and sucked, I could see the lust in his eyes.

He kissed me and I thrust my tongue deep into his mouth; my panties were soaking wet. He undressed me and looked at my breasts with their erect nipples. "Nice titties," he said.

He stripped and we went over to the bed. He got between my legs and started licking my love nest. It drove me wild and I clawed the pillows with my fingernails. Then he positioned me doggie-style on the bed. I wondered why and then I saw his dick, it was the longest thickest cock I had ever seen.

He smiled. "They call me Horse Cock," he laughed.

He eased it in me, a few inches at a time. Gradually, to my surprise, he got that huge poker all the way inside me. I felt his balls caress my ass. As we fucked, he brought me to two mind-blowing orgasms as I squirmed and squealed with pleasure. When he shot his hot load inside me, I collapsed in his arms, panting for air. Needless to say, I got in SAG and did the movie part.

On the set of the film everyone knew that he was fucking me, but we never fooled around at the studio. It was always after work and after dinner. When the film was over, so was our romance, but now I am into acting and I am studying it at nights.

I don't pay any tuition at the drama school. The guy who owns it is named Roy, and he loves to put his cock in my mouth, my tongue massaging the head against the roof of my mouth. He told me the other night, "You're going to be awesome, Animal, if you learn to act as well as you give head."

Katerine

It's finally here... the day Katerine released her big natural boobs and tight pussy for a chance to be fucked on camera. Still shy, but very confident, this girl knew she had a beautiful body and how to work it. As she glistened her big tits with oil, Lee stopped by and gave her his cock to have fun with. Katerine playfully sucked it down her throat. There was lots of licking, sucking, and fucking here as she got fucked long and hard, and finally got her cream pie.
